

Beloved Saints of Corcc

Grace and Peace:

Genesis 26 reveals to us there was a famine in the land.

The Lord said to **SOJOURN IN THE LAND**, and **I WILL BE WITH YOU** and **BLESS YOU**. He didn't say run from the land, complain about the land nor flee the conditions surrounding the land. We find ourselves dwelling in a famine land with a vicious pestilence (**COVID-19**).

God says to **DWELL AND LIVE IN THAT LAND** we are being told to isolate and quarantine, but don't get lazy and hibernate, instead we have the responsibility according to Isaiah 42:12 to...

“give glory to the Lord And declare His praise in the islands and coastlands.”

This will allow us to do like Isaac, **HE SOWED, HE SOWED, and HE SOWED**. I encourage you to be like Isaac and sow during this turbulent time your tithes and offerings.

**Tithing and Giving manifests God's majestic hand and powerful voice,
rebuking the devour for you and your family.**
